Microfridge Audit

Now that the semester is underway Residence Life will be conducting a campus wide audit of our microfridges. We will need to enter every student room on campus except for Campbell and Randolph Apartments. We will be knocking on doors between the hours of 10am and 8pm starting Aug. 29th. We will only be checking for Microfridges. We will not be looking inside your microfridges only recording the serial number of the fridge.

Please be aware that we, Residence Life staff, will knock and announce ourselves. If there is no answer, we will key into your room. If you are not present, we will leave a note indicating we were in your room. Thank you for your patience and understanding.

Residence Life

Hello Truman Residents,

I am very excited that you are here on-campus. I wanted to send you this note to welcome you (or welcome you back) to the residence halls and apartment complexes. I hope that you have a wonderful experience this year and find the residential experience to be very rewarding. As always if you have any questions or concerns, please do not hesitate to contact your hall staff. They are well trained and dedicated individuals who are here to help you succeed. You may also contact the Residence Life central office at 660-785-4227 or res-life@truman.edu.

The Office of Residence Life will periodically send out emails in this format about information that you need to know. Please read these emails as we only send out information that is pertinent to your experience on campus.

I look forward to seeing you all around campus!

John Harden

Change in Charge for Recores

If you lose your keys and your lock needs to be recored, you will be charged $30 this year. That is an increase of $5 from 2011-2012. Don't lose your keys!

Sign the Sustainability Pledge!

As part of the Truman community, you can have a great impact on the sustainability of this great institution. One way to do that is by making small changes in your life to be more sustainable. Go to http://sustainability.truman.edu/student-sustainability-outreach-campaign/ to sign the pledge to make as many of these changes as possible.
