The residence halls close on Saturday, December 15 at 6 pm. At that time all residents must be out of their residence hall rooms. In order to properly check out of your residence hall room or apartment, you must **unplug everything in your room, take out your trash and recycling, defrost your refrigerator, lock the windows and close the blinds, and set your heat to the required settings of your hall or area.** For specifics on these, please contact your hall staff or review a closing bulletin board. Any and each of these steps that are not taken will result in a $10 fee. Residence Life staff will be checking each room to ensure that the halls are ready for a four weeks. Please make sure to take everything you will need for the break period, as you will not be allowed to reenter the building once it has closed. As a reminder, the residence halls will reopen Sunday, January 13 at 10am. Please go HERE for more details.
