

Missouri Hall

TRUMAN STATE UNIVERSITY

Now Hiring for 2009-2010 Jobs at MO Hall (and Across Campus)

Are you looking for a great scholarship job for next year? How about a job that pays a little cash? Missouri Hall and all the other halls on campus are now hiring for the 2009-2010 support staff positions. We're looking for people who are committed to great customer service and are willing to be a part of our team.

Students working at the hall desk help with general building administration and help both residents and guests with their needs. Night monitors help keep the building safe at night. Both positions are available for scholarship and work-study hours. Only the night monitor positions are available for institutional hours (actual pay-checks).

To learn more about these and other positions across campus, go online to the Res Life website at <http://reslife.truman.edu> and click on Employment Opportunities. All applications are due April 8, so make sure to get yours in today!

Facilities Paints in the Public Spaces at MO Hall

Well MO Hall is ready for her first new paintjob post renovation. On rainy days when the Facilities crews can't work outside, expect to see them painting the hallways, lounges, and other public spaces. The new coat is a semi-gloss paint and should hold up better to wear and tear than the flat paint that was used during the renovation.

There will be some smell with the new paint, but it will go away after a day or so once the crews move on to another part of the building. As always, resident rooms will be painted this summer as needed if there is damage to the paint.

Shhh! Quiet Hours Include Outside Missouri Hall Too!

With the weather turning so nice, a lot of us are leaving our windows open at night and enjoying the spring breeze. Please remember that people can hear you outside when the windows are open. If it's after 10:30, talk quietly outside the building. Talking and laughing loudly can wake someone up or interrupt their studying. Yelling to your friend four floors up is no fun for everyone else. Please respect everyone else's needs and avoid getting documented by being quiet outside after hours.

March 19, 2009

*Yep, we're hiring for next year. Need a job?
Fill out your application online!*

Coming Up at MO Hall . . .

Ritmo! Latin Dancing

Thursday, March 19 | 8:00 PM
SUB Georgian Room

Thursday, March 19 | 7:00 PM
Missouri Hall Chariton Room

Barbie Birthday Bash

Tuesday, March 24 | 7:30 PM
Missouri Hall Chariton Room

Religious Forum

Thursday, March 26 | 7:00 PM
Baldwin Hall Little Theatre (BH 176)

MO Go Green Tuesdays to Help Protect the Environment

Wow, this weather is beautiful! It's been so nice to go out in the fresh air. You could help to keep the air and our other natural resources pristine by changing the way you do things here at MO Hall. The Missouri Hall Senate is sponsoring the all new **Go Green Tuesdays** to encourage you to take a little extra care.

On Tuesdays, try and take a shorter shower to save on water. Turn off the lights in the bathroom when you are done. If you've got the heater or air conditioner on, see about setting the temperature so the unit runs a little less that day. Did you know we could save 140,000 kW and \$7000 each year if everyone in MO Hall turned their heater down enough to have it run an hour less each day? That's a lot of savings for Truman and the planet, and all you had to do was put on a sweater.

We'll leave the quiet hours lights off on Tuesdays to help you remember. Help others remember by wearing green on Tuesdays. Look for more ways to Go Green at Missouri Hall in the coming weeks!

Sign Up For Date/Service Auction to Fight Cancer

The Missouri Hall Relay for Life Team is helping in the fight against cancer by sponsoring this year's Charity Date and Service Auction. The event is on the evening of April 7 right here in the MO Hall front lobby. It's a date/service auction, so some people will be up for a date while others will be up for some service like cleaning your room, baking you cookies, or writing you 100 haikus. Cool!

Right now we need people to sign up to be auctioned off for either a date or service. You can help fight cancer by participating in this fun and worthwhile event. Last year's auction raised over \$1000 for the American Cancer Society.

To sign up, check out the sheet outside the SA doors. For more info, talk with Glessie Reese or Craig Deken. See you on April 7!

Second Annual MO Hall Art Gala | April 2

The Hall Senate is again sponsoring the MO Hall Art Gala. Any Truman student can submit a work of art for the show, which is held during dinner on Thursday, April 2. The event is open to anyone and is a lot fun. Mark your calendar and plan on dropping by the Chariton Room that night.

Do you or someone you know have some art you would like to put in the show? Students vote for their favorite pieces. The artists with the winning pieces get \$100 and have their work hung in the permanent collection here at Missouri Hall.

Submission forms are on the Missouri Hall website. You can pick up yours at <http://missouri.truman.edu>. Submission forms are due March 30.
