Guy Panel This Thursday to Examine Gender Stereotypes

Perhaps you've seen the bulletin board outside the cafeteria talking about the "top things" guys want to see. The items mentioned seem to reflect a common portrayal of college age men, but the truth is far more diverse than the single image represented in popular culture.

Join us for Guy Panel this Thursday night at 7:00 PM in the Chariton Room. A panel of college men will give honest and frank answers to questions posed by the audience. The program is always enlightening, funny, and eye-opening.

Being a man at Truman is far more than what was displayed on the bulletin board outside the cafeteria. We hope you'll consider dropping by the program so we can all look beyond these stereotypes. For more information, contact Chance Sommer (crs7541@truman.edu) or Andrew Hughes (ajh4583@truman.edu).

*Root beer is delicious!
Join us for OktoberFest 2009*

OktoberFest 2009 This Friday - Only \$1 for Food, Mug, and Drink

Make sure your calendar is marked for this fun Truman tradition. Starting Friday at 4:00, you can visit OktoberFest 2009 out on the Mall between the Union and McClain Hall. For only a dollar, you get great food and root beer and some amazing entertainment. The first 500 people at the event will also get a commemorative Truman OktoberFest root beer stein. Oh yeah, get excited!

There will be some pretty amazing tricycle races as well as performances by Minor Detail and True Men. This will be an event you don't want to miss!

More Free Samples - Women's Perfume

Guess what? We've got more free samples! We don't usually get this many this often, but we guess all the companies just love MO Hall residents this year.

For this week, we have samples of women's cosmetics and perfume. Oooo. As always, the free samples will be located in the north lobby by the mailboxes. And as always, please limit yourself to one item, at least for the first few days.

Homecoming 2009 Next Week - Get Excited!

There are few traditions greater than Homecoming here at Truman. Though it starts next week, there are already some things happening. Apparel sales started today. You can buy really great shirts at low prices. They are on sale in the CSI in the lower level of the SUB. There is also a daily clue game where you can win awesome prizes. Check each day for the paw-print clue online at <http://homecoming.truman.edu>.

Homecoming at Truman is many things. It's a competition for student groups and individuals. It's a chance to remember our own past and cherish our rich. It's also a chance for our alumni and friends to come back and visit.

There is a lot planned for the week, including the annual Homecoming Parade next Saturday morning. To get all the information on Homecoming 2009, be sure to visit the website online at :

Missouri Hall Quick Notes

- So why are they called the Chariton and Hawthorn Rooms? The Chariton River flows just west of Kirksville and all the way to the Missouri River. We live in the Chariton River Valley. The Hawthorn is the state flower for the state of Missouri, which is perfect then for Missouri Hall.
- Quiet hours also apply outside of Missouri Hall. With nicer weather, a lot of people are leaving their windows open at night. After 10:30 PM, you need to be quiet outside and when walking home to the building. Talking loudly, yelling, and screaming outside the building just makes you big jerk to everyone trying to sleep or study. Please help everyone out and remember to be quiet outside the building after quiet hours start.

Ping Pong Tourney Here in MO Hall Sunday

Now is the time to test out your mad table tennis skills against others in Missouri Hall. We'll be hosting a ping pong tournament this Sunday at 1:00 PM in the 1st Floor North Lobby.

You can sign up for the tournament today. There is a bulletin board by the mailboxes. Place your name and contact information on the sheet, and you are in!

Ping pong is one of the items you can check out at the hall desk. You can also get cooking supplies, tennis rackets and balls, Frisbees, pool cues and balls, and board games.

For more information on the tournament, get in touch with Derek Schirmer at dds4123@truman.edu.
